1. The following is an examiner's statement of reasons for allowance: The instant claims are neither taught nor suggested by the prior art. Neither Brown nor Yamasaki et al. teach or suggest preparing a porous film by thermally treating the composition as found in claim 8. Please note that page 23 of the instant specification defines the term "porous", found in the claims, as having a porosity of at least 10 vol%. In addition the specific method steps in claim 15 are neither taught nor suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Margaret G. Moore whose telephone number is 571-272-1090. The examiner can normally be reached on Monday to Wednesday and Friday, 10am to 4pm.
